

# Call for Nominations

## The Medical Imaging Team Award

Recognizes a leading Canadian team in the field of medical imaging, with a dedication to collaboration for the delivery of high-quality, innovative patient care

**Nomination deadline: June 30, 2019**

### Eligibility Criteria

Teams consisting of at least three medical imaging professionals, with representation from at least two medical imaging professional groups

### The Medical Imaging Team

Physicians, medical physicists, sonographers and medical radiation technologists working collaboratively to advance a better understanding of the complex practices, policies and protocols behind each image, and to promote the highest standard of appropriate imaging with all Canadians
